MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security Statistical Report
for MAY 1969

1. The attached tables reflect some of the activities of certain components of the Office of Security during MAY 1969.

2. The statistics in the tables are compiled by the component concerned and refer to the current month.

3. Under the Reinvestigation Program, 391 cases were scheduled for investigation this past month, while 190 cases were completed. Total figures for the fiscal year to date reflect that 3,454 have been processed for reinvestigation as compared to 2,555 in FY 1968; cases completed this fiscal year number 2,971, as compared to 2,586 in FY 1968 for the same period.

4. For the fourth consecutive month, Staff Applicant receipts were above the 400 level, as 424 were received during the month of May, bringing the total FY 1969 receipts to date to 3,728, as compared to 4,277 received in FY 1968 for the same period.

In view of the fact that only 208 Staff Applicant cases were received in June 1968 and it is expected that the current case receipt level will again be above 400, it is anticipated that total Staff Applicant receipts for Fiscal Year 1969 will fall short of FY 1968 receipts by no more than several hundred cases.
